### Benefits

### Risk

1. Available in Indonesian Rupiah.
2. Notification Service for Debit/Credit Transactions for Individual Customers.
3. Automatic Fund Transfer (AFT) Service.
4. Transactions via ATM, Mega Internet, & Mobile Banking (M-SMILE).
5. The Combined Statement & E-Statement service is available on M-SMILE and the Customer's Registered Email.

1. The risk of changes in savings interest rates, which may be influenced by changes in Bank Indonesia's interest rates, IDIC, or other internal bank policies.
2. The risk that customer savings will not be guaranteed if the interest rates and total amount of all customer deposits at Bank Mega exceed the interest rates and/or amounts determined by the Indonesia Deposit Insurance Corporation (IDIC) and/or the total deposits exceed Rp 2 billion; in this case, the deposits are not included in the IDIC guarantee program.
3. Misuse of Mega Internet & Mobile Banking (M-SMILE), PIN/password, debit/ATM cards, and passbooks.
4. There are operational risks related to transactions using ATM/Debit card facilities, including those related to ATM network connections and/or EDC machines.

### Requirements and Procedures

1. Opening a Savings Account can be done through Branches, M-Auto, and M-Smile.
2. Complete the documents required by the bank to open a new customer account.
  - Fill out the Savings Account Opening Application Form.
  - Other documents requested according to the bank's policy for the account opening process.
3. Questions and complaints can be directed to the Contact Center at: 08041500010 (MEGACALL) or +622129601600 (from abroad).

### Simulasi

Product Simulation Example

**Mega Maxi**

Daily Balance	Annual Interest Rate	Daily Interest Rate*
Rp350,000,000	0.15%	Rp1,438.36
Rp800,000	0.00%	Rp0.00

\*Nominal interest before deducting 20% tax

### Additional Information

1. Savings interest is received on the 25th of each month
2. Mega Maxi interest is calculated daily based on the daily balance with a daily interest rate percentage (annual interest rate divided by 365 days).
3. The applied interest is the accumulation of daily calculated interest according to the interest calculation cycle.
4. Instructions to the Bank or withdrawals from a joint account with 'OR' designation can be made by any one of the account holders. For a joint account with 'AND' designation, all account holders must act together.
